14 January**

# Enhance your Maths and English Skills

This course aims to help learners improve their English or maths skills to gain an up to date qualification in Functional Skills which may help towards gaining employment.

## What skills could you improve?

- Reading • Writing • Speaking, Listening and Communicating •
- Number • Measuring Shape and Space • Data Handling •

The length of the course is dependent on your skill level and the level you are initially assessed at. A mixture of on-line and paper based assessments will be completed on a date appropriate to each individual.

All candidates must attend Derwentside College  
Tuesday 9.30am - 12 noon and  
Thursday and Friday 9.30am - 2.30pm
