Lead responsibility	Executive Director of Finance & Resources

1. Purpose

- 1.1. A key priority of the Government is to eliminate the gap in attainment between those from poorer and more affluent backgrounds, providing young people and adults with opportunities to develop their skills and to secure employment.
- 1.2. The College receives Discretionary Learner Support Funds (DLSF) and Bursary Funds from the Education Skills Funding Agency (ESFA). This funding is provided to support learners aged from 16 through to Adults who are experiencing financial difficulty when meeting the costs associated with learning.
- 1.3. The purpose of this policy and procedure is to outline the College's approach to providing financial support to learners through the discretionary element of the funding.

2. Scope

- 2.1. The College has identified the following priority groups relating to the distribution of financial support under the discretionary element of the funding:
 - 2.1.1. Young people in care, care leavers, young people in receipt of Income Support or Universal Credit and disabled young people in receipt of Employment Support Allowance or Universal Credit and Disability Living Allowance or Personal Independence Payments. Learners will be eligible to receive a guaranteed bursary of up to £1,200 a year.
 - 2.1.2. Derwentside College will make awards to young people in ways that best fit the needs and circumstances of our students. Bursary awards will be targeted towards young people facing financial barriers to participation, such as the costs of transport, meals, books and equipment.
 - 2.1.3. Learners who are economically and socially disadvantaged are the priority group for Advanced Learner Loans Bursary and DLS at Derwentside College. This includes those who need support for essential equipment, transport, childcare (for learners aged 20 and over) or associated learning costs and those who are facing financial difficulty, and 19+ learners in receipt of an Advanced Learner Loan requiring learning support.
- 2.2. Specific eligibility criteria for each individual fund are identified within the procedure section of this document.

3. Policy / Principles

- 3.1. The College will comply with Funding Body guidance and requirements when considering applications and allocations of all DLSF funding.
- 3.2. Derwentside College will:
 - 3.2.1. Consider the availability of other strands of financial support for learners (including support funding through DWP and Jobcentre Plus) ahead of consideration for the College bursary or discretionary fund and ensure that learners exercise their entitlement to other forms of financial support before they pursue an application for College bursary or DLS.
 - 3.2.2. Develop clear criteria showing how Derwentside College will administer and distribute the funds. This information will be available to learners via the web-site and Moodle.
 - 3.2.3. Assess the learner's financial hardship by carrying out an income assessment.
 - 3.2.4. Identify the learner-specific financial need which may prevent the learner from participating in FE before making any financial award.

- 3.2.5. Pay 16-18 Bursary or DLS financial awards in the form of goods or services or one-off or regular payments which are for costs other than living (except in exceptional or emergency situations). These will not affect the level of the learner benefit entitlement. Derwentside College will make it clear at the time the payment is made to the learner, for what purpose the payment is given and whether it is one of a series, for services and goods or a lump sum payment.

4. Procedure

4.1. Categories of Funding Available

4.1.1. Course fees

- In exceptional circumstances DLS funding can be used to fund tuition fees for learners.

4.1.2. Travel

- All full-time 16-18 learners are offered free travel to College regardless of personal circumstances.
- 19+ learners are able to claim travel costs, subject to eligibility criteria being met. These learners will receive a reimbursement of evidenced travel costs, or a mileage allowance as appropriate.
- For full-time 16-18 eligible learners, the College will provide an appropriate bus pass, allowing the learner to travel to and from College during term time periods.
- Learners using their own transport will receive a mileage allowance based on evidenced claims.

4.1.6. Childcare

- 20+ learners can have the costs of childcare met for pre-school aged children that are placed with Ofsted registered child minders or nurseries. This is subject to the eligibility criteria being met.
- Funding provided to cover childcare costs will only cover timetabled activity, plus reasonable travel time to and from College.
- Learners will be expected to deduct free childcare made available by the Government from any potential claim.

4.2. General Eligibility Criteria

- 4.2.1. The residency eligibility criteria for all funding streams are aligned to the residency criteria addressed in the document *Funding Regulations*, part of the overall Education Skills Funding Agency (ESFA) *Funding Guidance 2018-19*. Residency criteria are broadly determined by the following statement:
- A person on the “relevant date” who is settled in the UK, and who has been ordinarily resident in the UK and Islands (that is including the Channel Islands and the Isle of Man) for the three years preceding the “relevant date” and whose main purpose for such residence was not to receive full-time education during any part of the three-year period. “Settled” meaning - having either indefinite leave to enter or remain (ILE/R) or having the right of abode in the UK”
- 4.2.2. Asylum seekers aged 16-18 are eligible to apply for support from the 16 – 18 Bursary fund. However, those aged 19 and over are not eligible to apply for DLS funding
