

Sector Based Work Academy

Join our fantastic Manufacturing Academy designed in partnership with Erwin Hymer Group UK

Erwin Hymer Group is one of the leading manufacturers of campervans, motorhomes and touring caravans in the UK.

As a result of increased customer demand, EHG UK is now seeking to recruit staff for a range of roles throughout its production facility.

This is a fantastic opportunity for hard-working, reliable candidates to undertake a 2-week training programme and work towards accredited qualifications to prepare them for working in the manufacturing sector.

Those learners who successfully complete the Academy will secure a guaranteed interview, with a great opportunity for employment.

New job roles to commence January 2021
