

Sector Based Work Academy

Join our Manufacturing Academy in partnership with J Mitchinson

J Mitchinson is a well-established material handling and fabrication business with over 40 years of industry experience. To support the exciting growth of this family run organisation, they are now seeking to recruit several assembly operatives to join their team to work on various projects across the UK.

This is a fantastic opportunity for hard-working, reliable candidates to undertake a 3-week training programme and work towards accredited qualifications including obtaining a **CSCS Card** to prepare for working in multiple sectors. Candidates who successfully complete the Academy will secure a guaranteed interview with a great opportunity for employment.

**To register your interest please visit our website
www.derwentside.ac.uk/sector-based-academies and
complete the online registration form**

**All candidates must attend Shildon Civic Centre,
Civic Hall Square, County Durham, DL4 1AH
Monday - Friday 9.30am - 3.30pm for 3 weeks**

The Health and Safety training and CSCS Test will be delivered at Belmont, Durham on week 3 of the course.
