

Sector Based Work Academy

Join our NEW Manufacturing Academy in partnership with Virtuoso Doors

Virtuoso Doors is an established business who manufacture composite doors and door panels across the UK. Due to a significant investment in new premises, with state-of-the-art machinery, including an automated production line and new paint shop, Virtuoso is now recruiting for several Production and Despatch Operatives to fill positions at their Follingsby Park site.

This is an exciting opportunity for individuals who have a good eye for detail, some manufacturing experience, or transferable skills along with an excellent work ethic and a willingness to learn.

During the 2-week training programme, candidates will undertake a qualification in manufacturing, meet the Virtuoso management team and take a tour of the new factory. There will be a **guaranteed interview** for all successful candidates completing the Academy along with a Work Trial.

**To register your interest please visit our website
www.derwentside.ac.uk/sector-based-academies and
complete the online registration form**

**All candidates must attend Unit 13 Follingsby Close, Follingsby Park, NE10 8YG
Monday - Friday 9.30am - 3.30pm for 2 weeks**
