### **OVERVIEW**

Learn how to create big bouncy blowout looks that are dominating the catwalks. Focus on creating volume, curls, product application, and specific techniques to get the look and make it last all through the day and night.

### **REQUIREMENTS**

An interest in hairdressing. This course is designed for complete beginners who wish to learn professional blow-drying skills, hairdressers who wish to refresh their techniques, or for personal use as a workshop to blow dry your own hair. This course is also designed for beauty therapists wishing to add blow drying to their treatment list.

### **WHAT WILL I DO?**

Watch our expert hairdresser and have a go at blow-drying your own or each other's hair.

### **WHAT WILL IT GIVE ME?**

The skills to create the perfect blow-dry.

### **MATERIALS NEEDED**

All products and equipment are provided.

### **WHAT CAN I DO WHEN I FINISH?**

Bridal hair, prom hair, curl styling, festival hair or L2 Hairdressing.
