## About The Role

### Customer Experience Champion

As a Retail Associate at TK Maxx, you'll be the friendly face that welcomes every customer. Whether you're helping someone find the perfect item, offering styling advice, or simply greeting them with a smile, you'll play a key role in delivering a positive, engaging shopping experience that keeps customers coming back.

### Team Spirit in Action

Being part of our team means working together to get things done. From keeping the shop floor tidy, to assisting in fitting rooms or replenishing stock, you'll support your teammates and contribute to the smooth running of the store. We work as one team and celebrate each other's successes.

### Retail All-Rounder

Every day brings variety. You could be serving customers on the tills, organising stock behind the scenes, or helping with visual displays, no two shifts are ever the same. With full training provided, it's a great way to build your confidence, learn new skills, and gain hands-on experience in a fast-paced retail environment.
